

PULITZER'S
BAR

GABLES /'geɪb(ə)l / (noun)

The triangular upper part of a wall at the end of a ridged roof

The Amsterdam skyline is famous for the silhouette of its gables. You can even consider these iconic features as the proud face of our beloved city. But if you look a little closer, these famous facades betray a deeper history: of craftsmanship, the rise and fall of styles and trends, and true Amsterdam artistry. These are the principles that Pulitzer's Bar would like to honor through this evocative menu.

**CHAPTER
ONE:**

**AMSTERDAM
ARTISTRY**

**MISCELLANEOUS &
WITH CHARACTER**

While each gable style may have an interesting history of its own, it is the anachronistic mix of trends that inspires that particular Amsterdam aesthetic and feel. In this section, we offer the same diverse blend of fashion and flavor to match the city's eclecticism.

01

**NAVY
HIGHBALL**

Black Tot Rum
Sesame
Blackberry

With this drink, we paired sweetness with punchy rum to bring out that naval sense of valor. This is a highball that embodies the age-old saying, 'fortune favors the bold.'

**SPITFIRE
PUNCH**

Jack Daniels Bonded

Peach / Milk

This cocktail experiments
with textures. A silky milk
punch meets beautiful froth

ingredients, perfect for those
feeling a little spirited.

**CHAPTER
TWO:**

**DUTCH
MATERIALS**

LOCAL & MODERN

At the heart of Amsterdam's gabled facades lies a strong foundational element: the IJssel River clay. The clay is procured and worked on by fine Dutch craftsmen, turning raw materials into works of art. These select cocktails highlight the beauty of Dutch ingredients as essentials.

01

STARTER MARTINI

Ketel 1 Vodka
Butter
Sage

A spirit-forward essential, but with a Pulitzer twist. For this dry martini, we used locally sourced ingredients as a foundation to accentuate the beauty of a classic combo: butter and sage.

17.00

02

**CHESTNUT OLD
FASHIONED**

Woodford Reserve Bourbon
Woodford Rye
Chestnut / Bitters

This whiskey drink casts
undertones of chestnut
and spice through its use
of seasonal Dutch produce.

Pair sweetness with the
unbeatable rye heat, this
drink certainly is old-reliable.

19.00

03

**GREEN
GIMLET**

Ketel 1 Jenever
Calvados
Verbena

A drink for both the taste and visual palette. This is a herbaceous twist on a 90's classic, the Appletini, and features our beloved local protagonist, the Jenever.

17.00

**CHAPTER
THREE:**

**FINE
CRAFTSMANSHIP**

CLASSICS & VINTAGE

These iconic Amsterdam gables have proudly stood the test of time. The oldest preserved gable is from over 400 years ago. It is not only proof of Dutch innovative design but also a mark of true craftsmanship. In honor of this, we offer our take on elegant classics.

01

**NEW
AMSTERDAM**

Savoia Americano
Orgeat / Lemon
Red wine reduction
Egg white

Taking inspiration from the timeless New York Sour, we honor culinary craftsmanship through our homemade orgeat and wine reduction for a Pulitzer classic in the making.

02

BREAKFAST MARGARITA

Curado Espadin

03

DIRETTORE

Plantation 3 star
Cacaonib
Sandalwood
Raspberry

Adapting techniques of making perfume behind the bar, we present this reimagining of El Presidente, a vintage Cuban cocktail. This sweet but spirit-forward drink is an homage to crafts beyond culinary.

**CHAPTER
FOUR:**

**MODERN
OPULENCE**

**LOW AND
NON-ALCOHOLIC**

There were points in history where gables were simply the fashionable thing to have. Wealth and power were not only flaunted in the domestic but also on their house fronts. These select drinks will play on the luxurious and affluent aspect of the city's architectural jewel.

01

BELLINO

Seedlip Spice
Milky oolong
Peach and jasmine soda

A festive drink suited for

This intricate low-alcoholic drink is made for the fashionable responsible drinkers. Served as a Martini-style alternative, we diminish the alcohol units without compromising the complexities.
